FEBRUARY 2015

Pete Korellis
Korellis Roofing Inc.
1333 169th Street
Hammond, IN 46324

Dear Pete:

The annual Firestone Building Products Master Contractor Program recognizes leading Firestone Building Products Red Shield™ Licensed Roofing Contractors who demonstrate roofing system installation excellence. Based on a series of first-class jobs completed in 2014, Firestone Building Products has presented Korellis Roofing Inc. with the 2015 Master Contractor and Inner Circle of Quality awards.

This is the 23rd time Korellis Roofing Inc. has received the Firestone Building Products Master Contractor Award. The firm achieved this designation based on total square footage installed, quality points accrued for outstanding inspection ratings on installations covered by the Red Shield™ Warranty, and the number of Red Shield warranted completed jobs.

Korellis Roofing Inc. earned the Inner Circle of Quality Award for the 22nd time. The Inner Circle of Quality Award recognizes an elite group of Master Contractors who installed a minimum of eight warranted Firestone Building Products roofing systems in 2014 and four roofs per year for each of the prior four years, maintained at least 2 million square feet of Firestone Building Products roofs under warranty and achieved an annual Quality Incidence Rating (QIR) of 1.25 or less.

I commend Korellis Roofing Inc. for its commitment to quality in 2014, and for upholding the high commercial roofing performance standards set forth by Firestone Building Products. We are pleased to recognize Korellis Roofing Inc. for earning two of the commercial industry's most distinguished honors and look forward to continuing our partnership in 2015.

Sincerely,

Tim Dunn
President, Firestone Building Products
