

THE GARLAND COMPANY, INC.
Material Safety Data Sheet (MSDS)

Article No.: 200001

Version: 2013.8

August 14, 2013

Dear Customer:

According to Federal Regulations, Garland roofing products commercially available under the following names:

DURA-WALK POLY JT TAPE	NEOPRENE PIPE BOOT	ULTI-MAT
FILTER DRAIN 110	ONE WAY VENT	
GARMESH	OASIS SOIL BLENDS	
GRIP POLYESTER FIRM/SOFT	ROOFING GRANULES	
GLASS CANT	ROOT REINFORCEMENT 210	
HPR AQUA SHIELD		

... and all surfacing, colors, Premium, Plus, SPF, and fire-retardant (FR) versions thereof meet the **OSHA definition of an "Article" under 29 CFR 1910.1200(c) and does not require a Material Safety Data Sheet (MSDS) as indicated under 29 CFR 1010.1200(b)(6)(v).**

Articles of Manufacture are defined as: "... a manufactured item which is formed to a specific shape or design during manufacture, which has end use functions depending in whole or in part upon its shape or design during end use and which does not release or otherwise result in exposure to a hazardous chemical under normal conditions of use."

As the above products fall under the definition of Articles of Manufacture, there is no need for a MSDS. Therefore, no MSDS has been forwarded to your attention. This helps us greatly in our efforts to reduce the amount of paper we use, and in turn to preserve our natural resources.

If you have any questions regarding the above, please call our Environmental, Health, & Safety Department at 1-800-762-8225 ext 3644.

Sincerely,

THE GARLAND COMPANY, INC.
