

We believe our professional consultation, detailed proposal, and services provided are a significant added value to our customers. Below are the highlights of our Platinum Preferred Program.

Checklist	Platinum Preferred Program	Korellis Roofing		Other Contractors	
		Yes	No	Yes	No
<b>100% Employee Owned</b>	Everyone has a common interest in serving our customers' needs and requests. We all have the mission to continue to grow our organization.	✓			
<b>Experience</b>	Combined construction experience of over 2,350 years (yes, this is correct!)	✓			
<b>Drug-Free Workplace</b>	Pre-hire drug screening and random drug testing for all employees.	✓			
<b>Personnel</b>	Our skilled craftsmen are employees of Korellis Roofing and we never utilize outsourcing roofing subcontractors.	✓			
<b>Peace of Mind</b>	Our policies prohibit smoking and loud music. We provide employees with portable restrooms at all of our jobsites.	✓			
<b>Guarantees</b>	We will schedule an appointment your estimator today. He will contact you within 24 hours of your request and you will receive a proposal package within 5 business days of his initial consultation.	✓			
<b>Non-Commissioned</b>	Our estimators do not receive commissions; you will never receive a high-pressure sales pitch.	✓			
<b>Technology</b>	Your personalized proposal includes a birds' eye view of your home and full report of all roof areas and square footage to provide pricing to exact specifications.	✓			
<b>Paperless</b>	You can receive all of your documentation electronically, including a drone photo of your completed project.	✓			
<b>Landscape Protection</b>	We create a logistics plan specific to your home. Your investments to your home and landscaping will be protected.	✓			
<b>Payment Terms</b>	The \$150 deposit is deducted from your invoice and final payment is not required until 30 days after project completion.	✓			
<b>Preventative Maintenance</b>	Two years of complimentary preventative maintenance are included.	✓			
<b>Safety Standards</b>	Our safety requirements always meet – and typically exceed – OSHA standards. We employ a full-time Safety Manager and safety is always our #1 priority.	✓
